Doug Howard and Delegate Justin Ready testified before the House Ways and Means Committee in Annapolis, Maryland. In testimony, they “...just want to slow it down...” when referring to the Ready proposed Bill to prohibit Common Core PARC testing in the State of Maryland. Well, slowing down an undesired activity is not the same thing as prohibiting that activity. Their politics are more important to them than protecting Carroll County from the dastardly Common Core takeover of our schools. They are Deceivers, failing to uphold their Oath of Office. Much in alignment with the Delegate Susan Krebs votes for Common Core... and after all, she did donate generously to Doug Howard’s political campaign.
